Audrey draws on her experience serving as a Scheduler and Staff Assistant to Congresswoman Suzanne Bonamici (D-OR) to support ArentFox Schiff's Government Relations clients' goals. In that role, Audrey scheduled and managed meetings for the Congresswoman with constituents and other Member offices and led the development and drafting of a bill creating a grant program related to Department of Energy (DOE) efficiency standards. Audrey was also a Legislative Intern in Congresswoman Bonamici's office, in which role she drafted recommendation memos for the Congresswoman and her staffers on matters concerning education, labor, foreign affairs, and environmental protection policy.

Audrey also previously served as an Energy and Sustainability Outreach Specialist at a global advisory and technology services provider to the utilities industry, where she coordinated partners' meetings and communications with DOE and the Department of Housing and Urban Development and reviewed DOE grant program applications.
